**Re: AT&T Emergency Petition for Settlements Stop Payment Order,
IB Docket No. 03-38.**

Dear Ms. Dortch:

Pursuant to paragraph 18 of the Order released by the International Bureau on March 10, 2003 in the above-referenced proceeding,¹ AT&T is pleased to notify the International Bureau that Globe Telecom, Inc. ("Globe") and the Philippine Long Distance Telephone Company ("PLDT") have now ceased all blocking of AT&T's traffic and that AT&T's circuits with these carriers are now fully restored.

¹ *AT&T Corp. Emergency Petition for Settlements Stop Payment Order and Request for Immediate Interim Relief and Petition of WorldCom, Inc. For Prevention of "Whipsawing" on the U.S.-Philippines Route*, IB Docket No. 03-38, rel. Mar. 10, 2003, DA 03-581.

AT&T accordingly informs the Bureau that continued suspension of payments to Globe and PLDT is no longer required to address any blocking of AT&T's traffic by these carriers, and requests the Bureau to lift its suspension order with regard to AT&T's payments to Globe and PLDT expeditiously.²

Respectfully submitted,

James J. R. Talbot
Senior Attorney
